Certificate of Insurance

A Certificate of Insurance is required from every farm that participates in Open Farm Day.

This is very simple to do . . .

Just call your insurance company and request a certificate of insurance be sent as soon as possible to:

Open Farm Day
Attn. Judy Blaisdell
28 State House Station
Augusta, ME 04333

Fax. (207)287-5576

That's all there is to it.

The OFD Steering Committee must receive the certificate by **April 3rd** in order for your farm to participate.
